# Purse or Wallet Theft

Name: \_\_\_\_\_

On this list, jot down the brand name, make, model, serial number and price of each item. Write a description and any other details you think might be helpful if you had to describe the object to an insurance agent or police officer.

A purse/wallet inventory list can help during the recovery and insurance claim process after a theft, natural disaster or fire. Also, remember to take photos or videotape your expensive items such as your cell phone or PDA.
