Checklist - Fire Safety Items

Here is a list of items for each area and each floor in your home. Some of the areas might double up but be sure to have adequate coverage for every area in your home, especially where people sleep. Also remember to build your home disaster preparedness kit to have on hand in

Sleeping area	Kitchen
· · · · · · · · · · · · · · · · · · ·	☐ Fire extinguisher☐ Flashlight☐ Smoke alarm (install away from stove)
	Basement
☐ Carbon monoxide detector☐ Fire extinguisher	□ Carbon monoxide detector□ Fire extinguisher□ Flashlight□ Smoke alarm
	Garage
☐ Carbon monoxide detector☐ Fire extinguisher	□ Carbon monoxide detector□ Fire extinguisher□ Flashlight□ Smoke alarm
	Other
